Dear Jacques:

Just a short note to update you on my progress 4 months after going through HPI's incredible program.

Much better focus, more patience and better exploitation of those "pluses" HPI helped me relocate inside of me. Incidentally, my physical shape has improved as well — 26 lb loss.

As you know, I have spent many years on self-improvement courses/audio + video tapes. HPI's thorough physical and psychological probing and analysis went beyond my wildest expectations.

I am so glad I decided early on not to be sceptical, but to embrace openly and frankly what you sought to unlock.

Imperial Tobacco Canada Limited

Kindest Regards, Pierre
